Chair Lowen, Vice Chair Wildberger, and Members of the Committee, thank you for the opportunity to testify on S.C.R. 89, SD1 which encourages the Department of Accounting and General Services to transition the Hawaii State Capitol Building into an energy efficient building.

The Department of Accounting and General Services supports the intent to improve energy efficiency within State buildings and will work with the Capitol Management Group in consultation with Historic Preservation Offices to identify on-site energy production and energy conservation opportunities that will respect the historic building and serve as an example of public renewable energy production.

Thank you for the opportunity to testify.
